# Paris Secrets

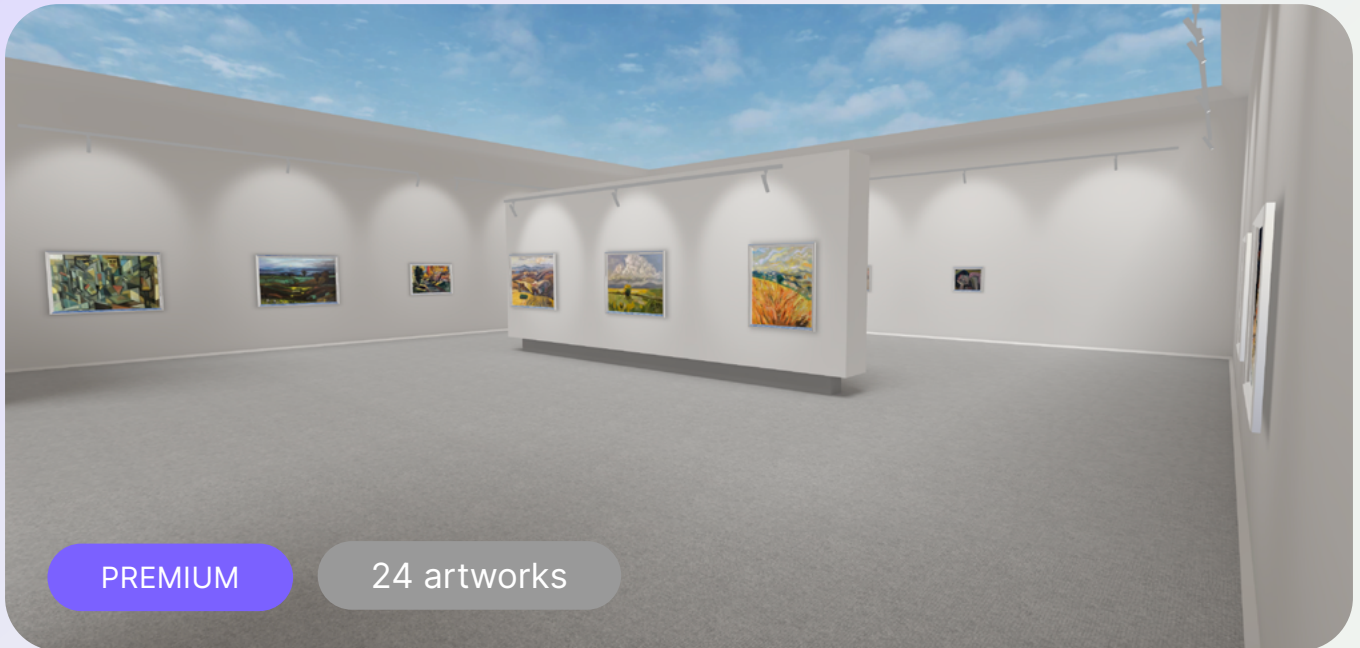

Step into a charming, museum-like space with the “Paris Secrets” template. This cozy, classic room features a rich red color scheme and an elegant arch, providing a sophisticated backdrop for up to 10 artworks. Ideal for intimate exhibitions that evoke a sense of classic artistry and elegance.

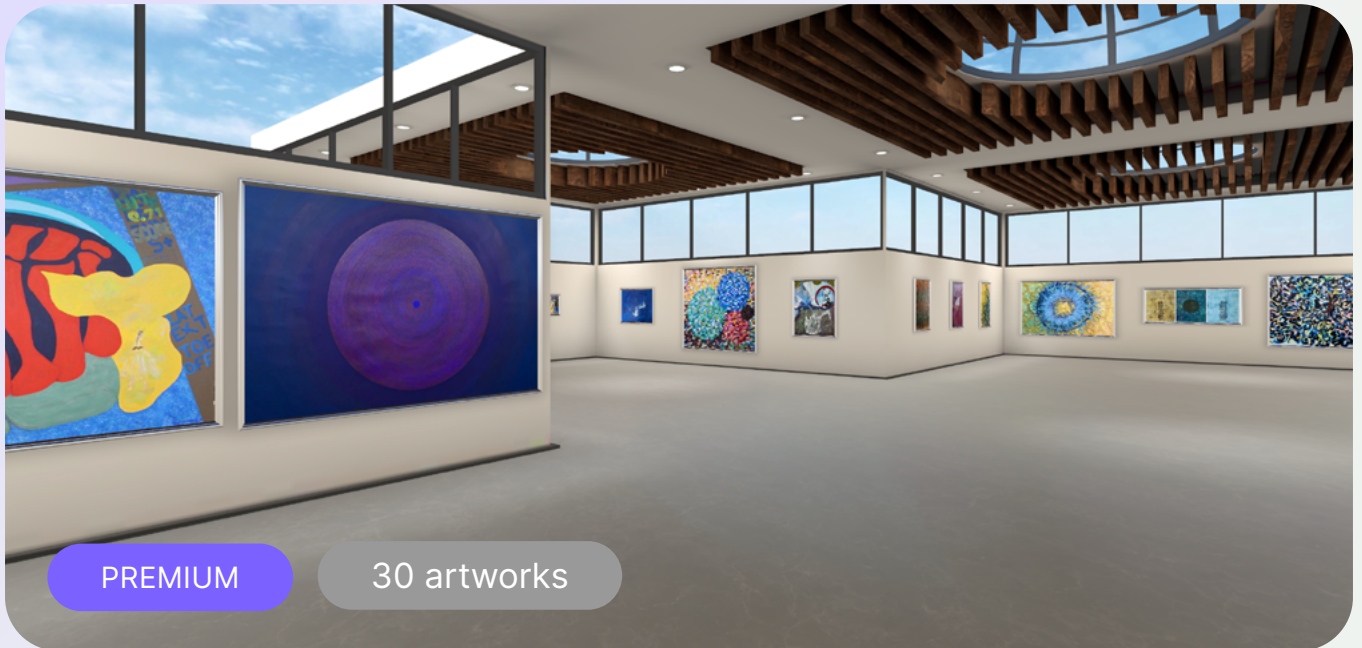

# Sky Gallery

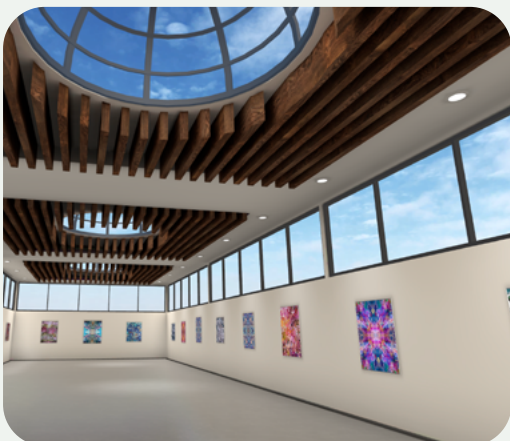

Experience the modernity of the “Sky Gallery,” where an open layout and white walls create a crisp, contemporary environment. With space for up to 24 artworks and a stunning sky view, this template is perfect for showcasing a diverse range of pieces in a bright and airy setting.

# Stone Light and Wood

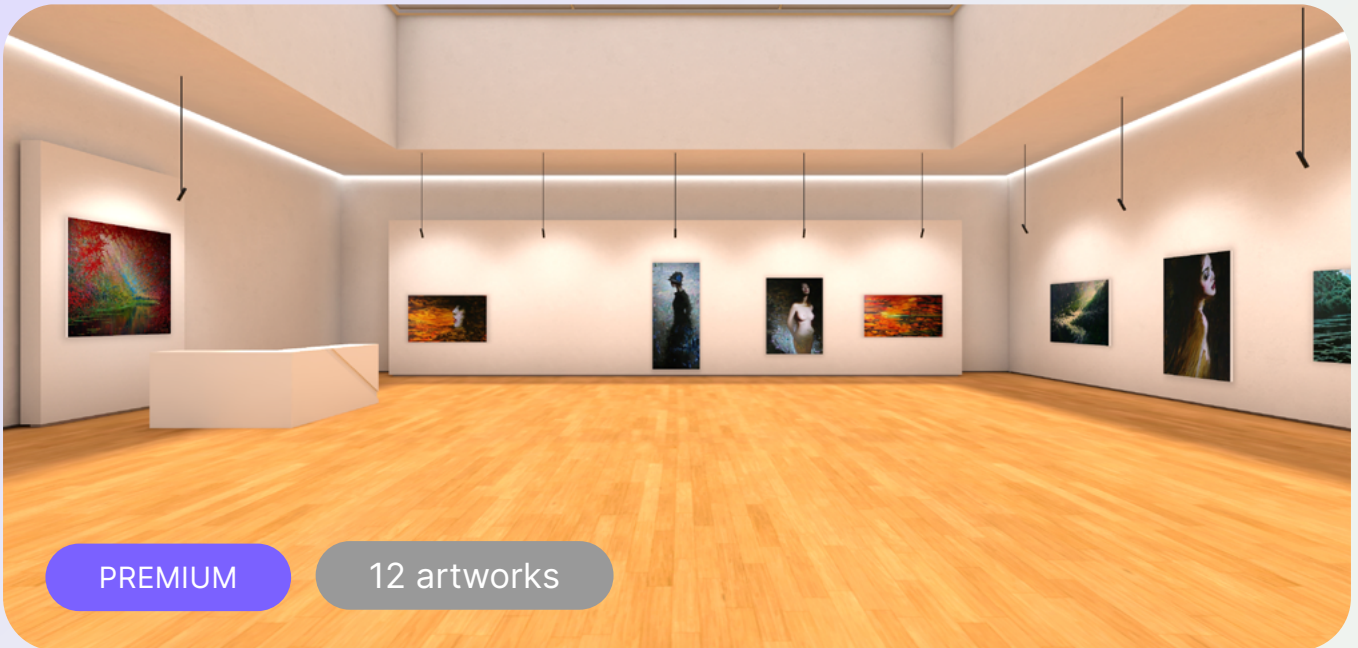

Discover the perfect setting for both paintings and sculptures with the “Stone Light and Wood” gallery. This expansive and airy space features a stone floor, complemented by elegant wooden structures and glass domes on top that allow abundant natural light to flood the room. With a slightly warehouse-like aesthetic, the gallery provides a versatile and open environment for up to 30 artworks, ideal for showcasing a diverse collection in a modern yet inviting space.

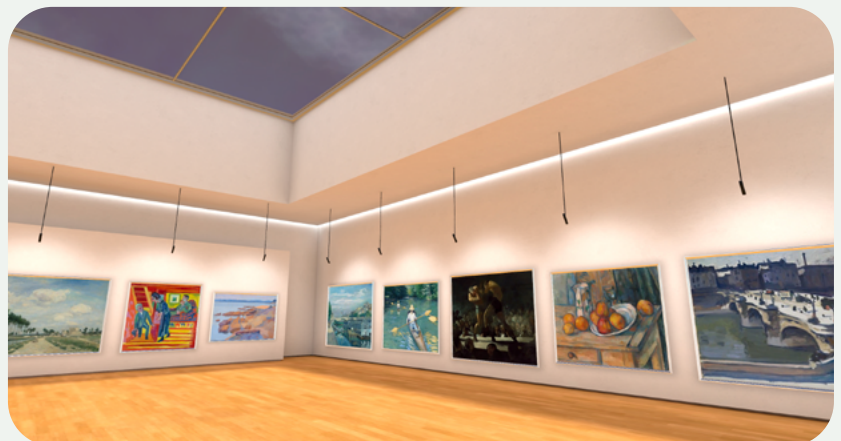

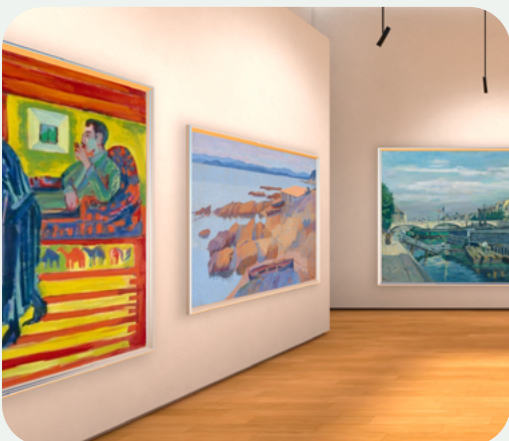

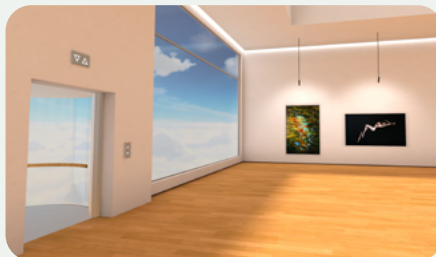

# Artist Art Store

Present and sell your artwork in the “Artist Art Store,” a spacious and inviting room designed for both display and commerce. This versatile space features white walls and a skylight that floods the room with natural light, complemented by modern lighting fixtures. With room for up to 12 artworks, it includes a convenient elevator entrance, making it ideal for artists looking to showcase and market their pieces in a professional yet accessible setting.

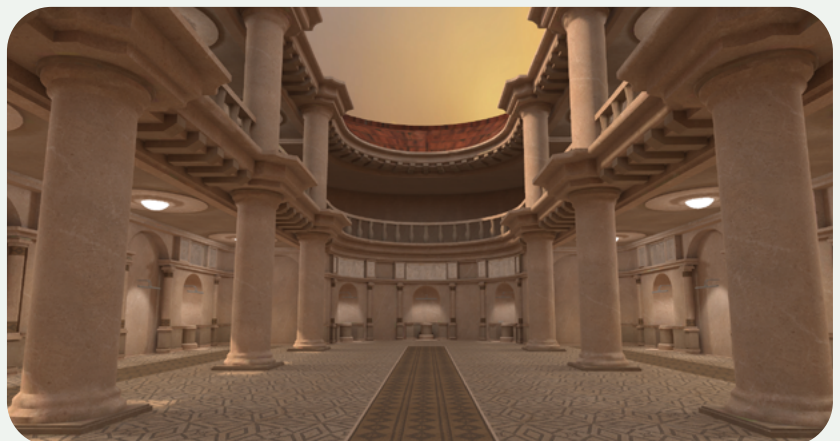

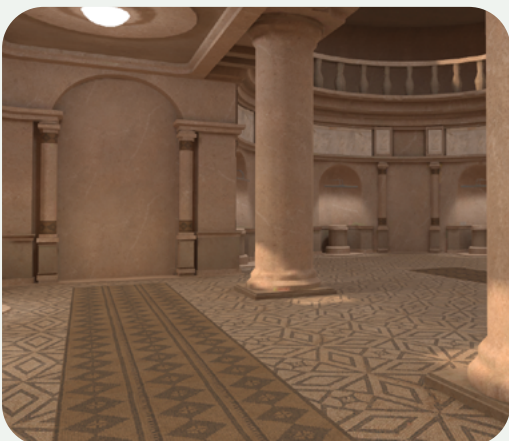

# Roman Gallery

PREMIUM

20 artworks

Step back in time with the “Roman Gallery,” a beautifully renovated old Roman villa transformed into a sophisticated exhibition space. This classic setting combines historical charm with modern functionality, offering an elegant backdrop for up to 20 artworks. With its ancient architectural details and timeless ambiance, this template provides a rich and immersive environment for showcasing your art.

# Street Art Gallery

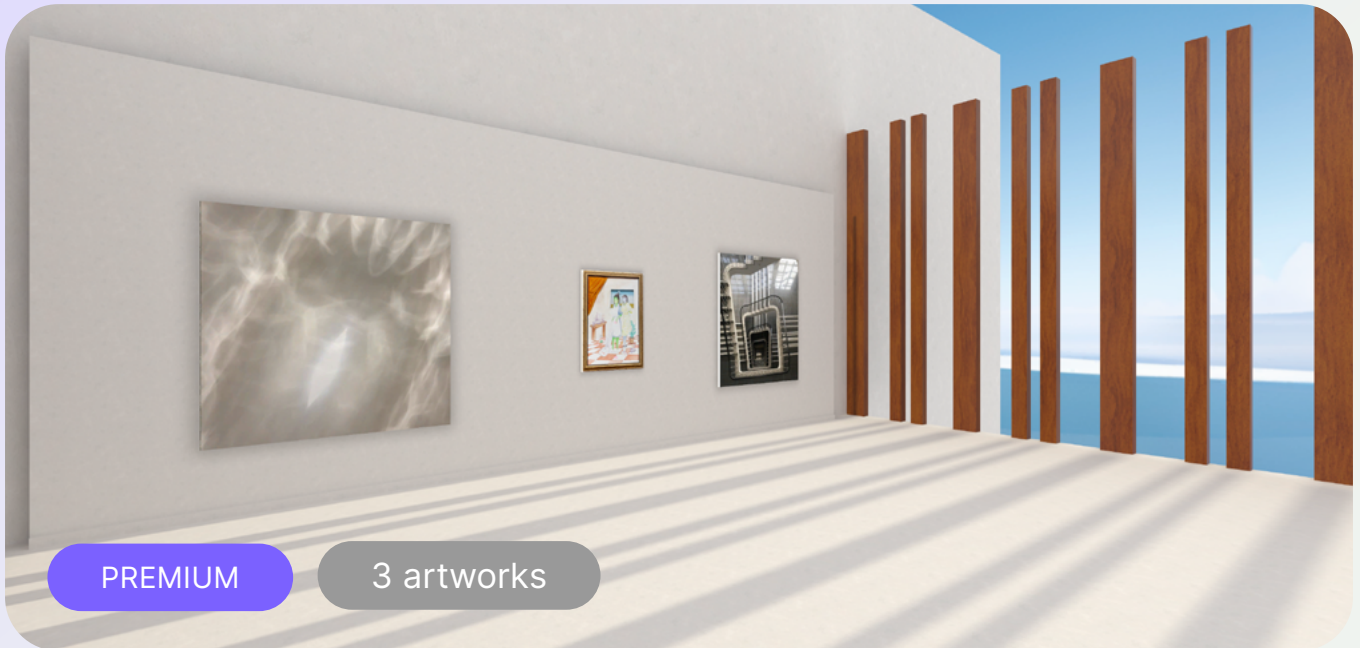

PREMIUM

44 artworks

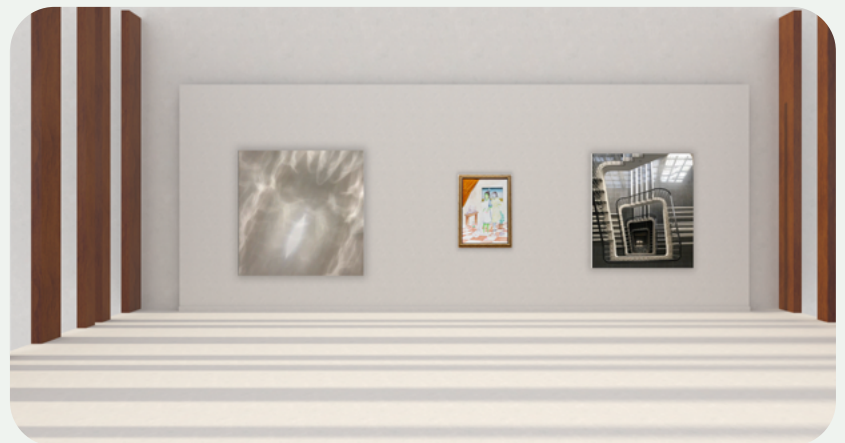

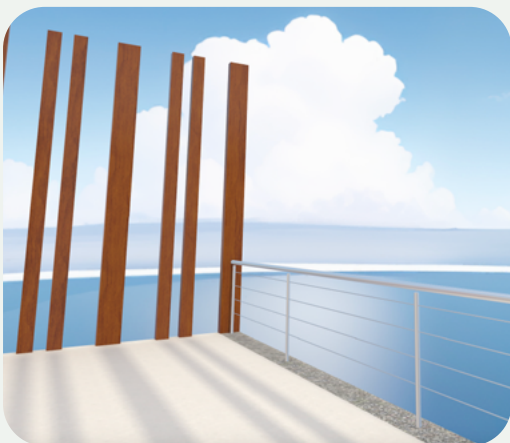

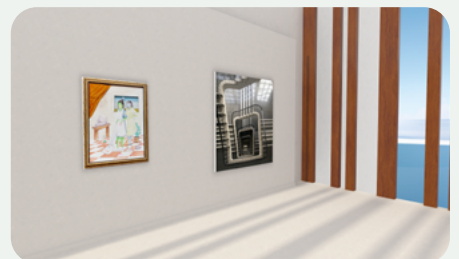

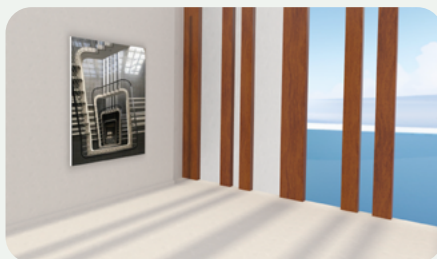

Immerse your audience in the gritty, vibrant world of urban art with the “Street Art Gallery” template. Set in an abandoned industrial area, this rugged space is adorned with graffiti and raw, industrial elements. It accommodates up to 44 artworks, offering a dynamic and immersive experience for street art enthusiasts.

# Shadow Cascade

Elevate your art in the ethereal “Shadow Cascade” gallery. This small, suspended space features wood panels designed to cast cascading shadows, creating a dramatic and atmospheric backdrop. Ideal for showcasing up to 3 artworks, this template offers a unique and intimate setting with a touch of architectural intrigue.

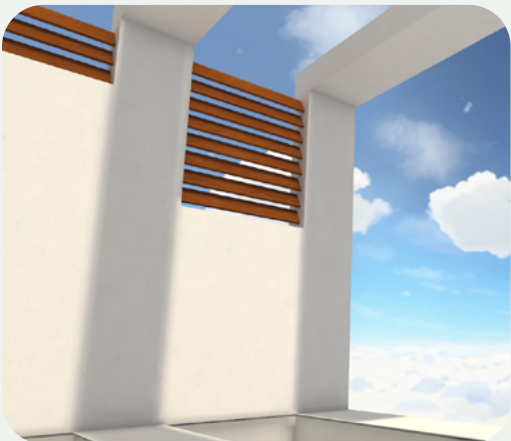

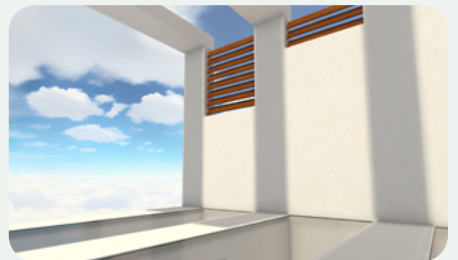

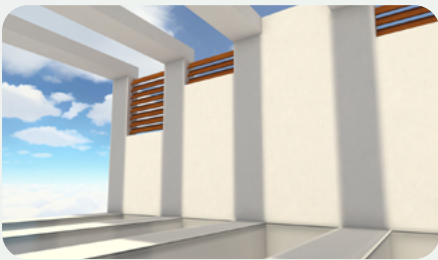

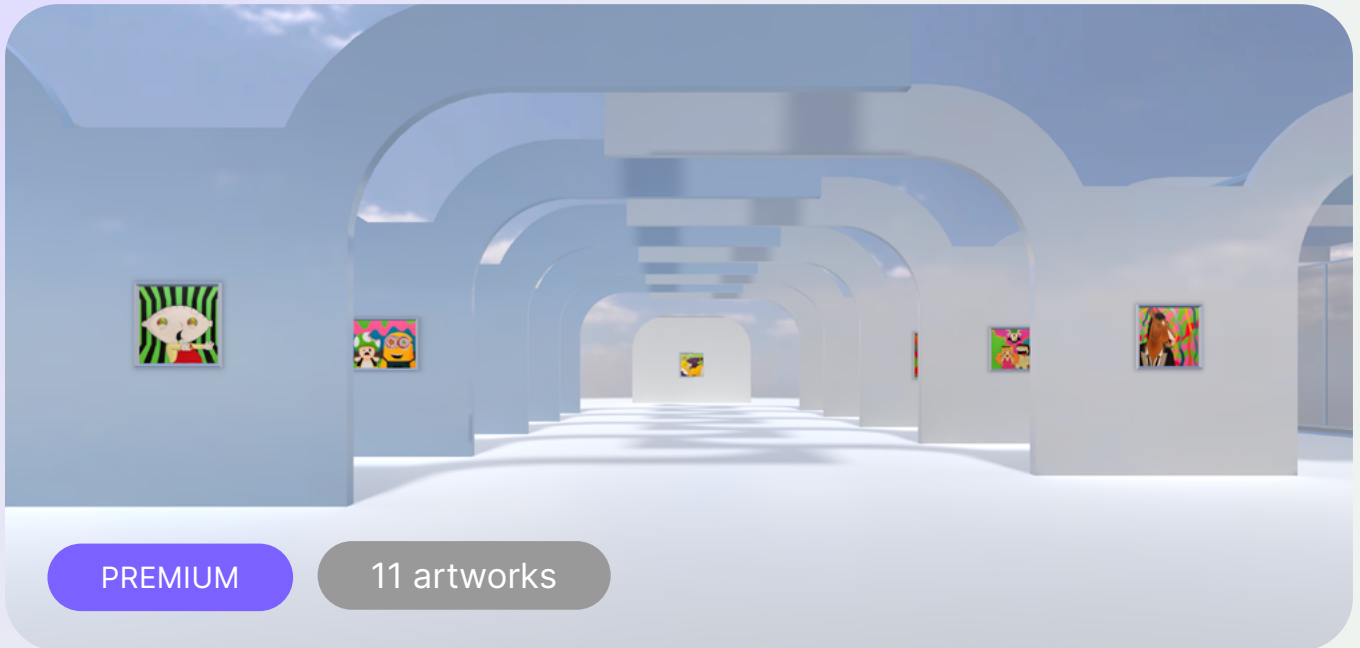

# Five Shades

Illuminate your art with the “Five Shades” gallery, where shadows and light play a central role. This distinctive space features piers that cast intriguing shadows, complemented by wood structures and a glass floor that adds a touch of sophistication. Ideal for displaying up to 5 artworks, this template provides a visually dynamic setting that enhances each piece through its interplay of light and shadow.

# The LA Catwalk

Showcase your art in a cutting-edge environment with “The LA Catwalk.” This modern glass gallery, suspended in the sky, offers an open, airy space with stunning sky views and water features on either side. Featuring innovative glass structures and walkways, this template provides a sleek and futuristic setting for up to 11 artworks, perfect for a high-fashion, contemporary exhibition.

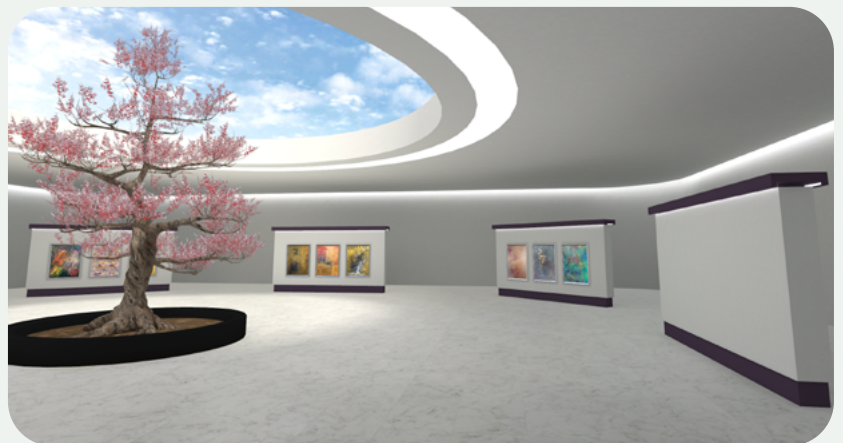

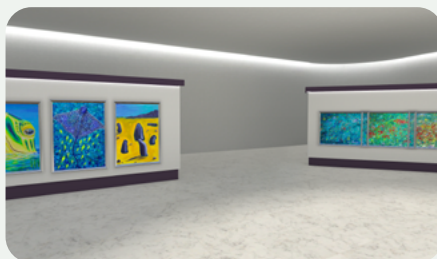

# Tree Of Life

Exhibit your art in the “Tree of Life” gallery, a semi-circular open space centered around a magnificent tree. This unique venue accommodates up to 24 artworks, with the tree as the focal point, beautifully illuminated by a skylight above. The natural light cascading through the skylight highlights the tree’s grandeur and creates a serene atmosphere, enhancing the presentation of your pieces. Ideal for artists who want their work to be showcased in a harmonious and inspiring natural setting.

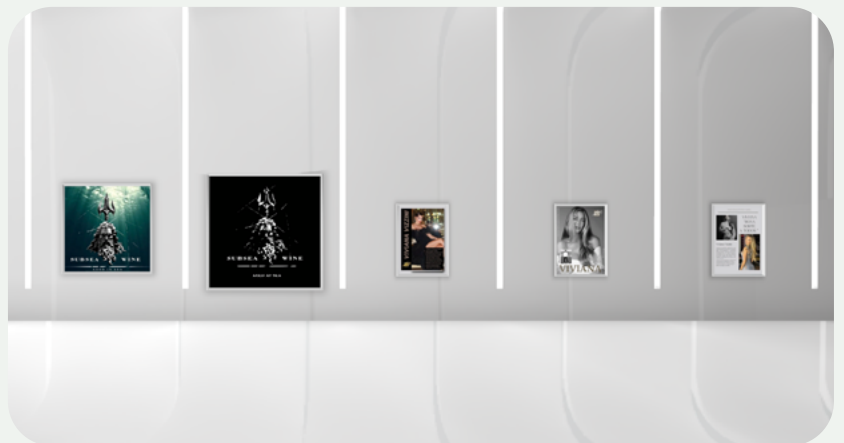

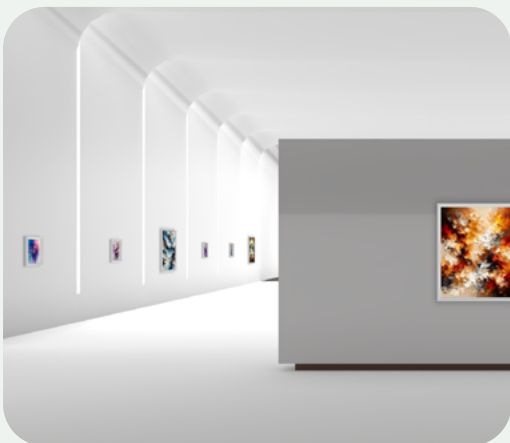

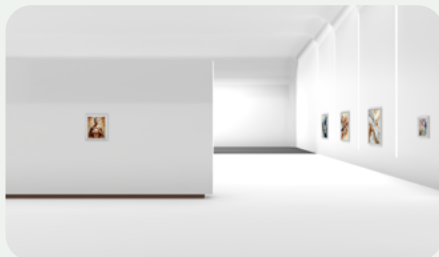

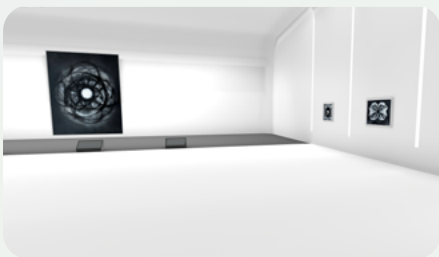

# Concert Hall

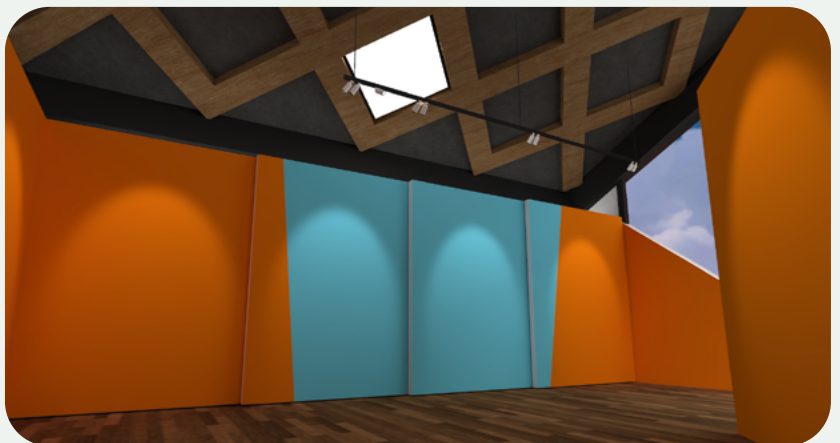

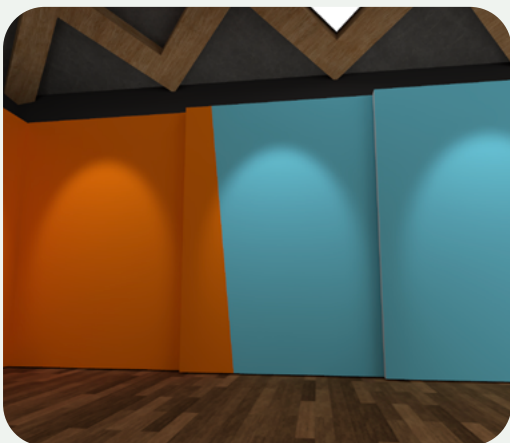

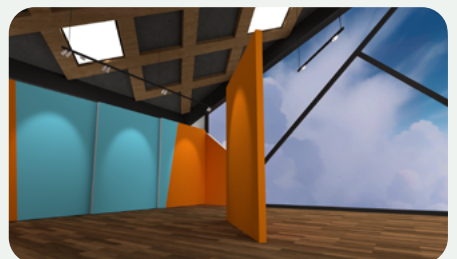

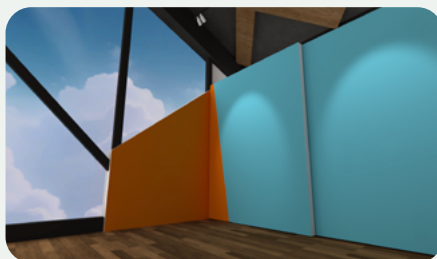

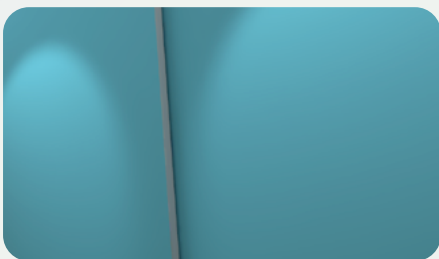

Step into the “Concert Hall,” a sleek, futuristic virtual gallery designed to showcase up to 30 artworks in a striking black-and-white aesthetic. This modern space features a bold, clean design that highlights each piece with dramatic contrast and sophistication. Perfect for an immersive and impactful presentation, the Concert Hall transforms your collection into a high-tech experience, allowing every artwork to shine in a visually stunning environment.

# Another Angle

Illuminate your art in a vibrant, modern setting with the “Another Angle” template. Featuring a spacious layout with a large window, this exhibition space combines a striking blue and orange interior with a sleek parquet floor. Perfect for displaying up to 14 artworks, this template offers a bright and dynamic backdrop that complements a variety of artistic styles.

# Fidget Stage

Showcase your creativity in the “Fidget Stage” gallery, an enchanting open-air venue nestled in nature. This unique space features three distinct stages set under a starlit sky, ideal for exhibiting up to 15 artworks. Surrounded by lush grass and illuminated by ambient night lighting, each stage offers a distinct platform for your pieces, providing a serene and captivating environment that enhances the natural beauty of your work. Perfect for artists looking to combine their art with an outdoor, nighttime ambiance.

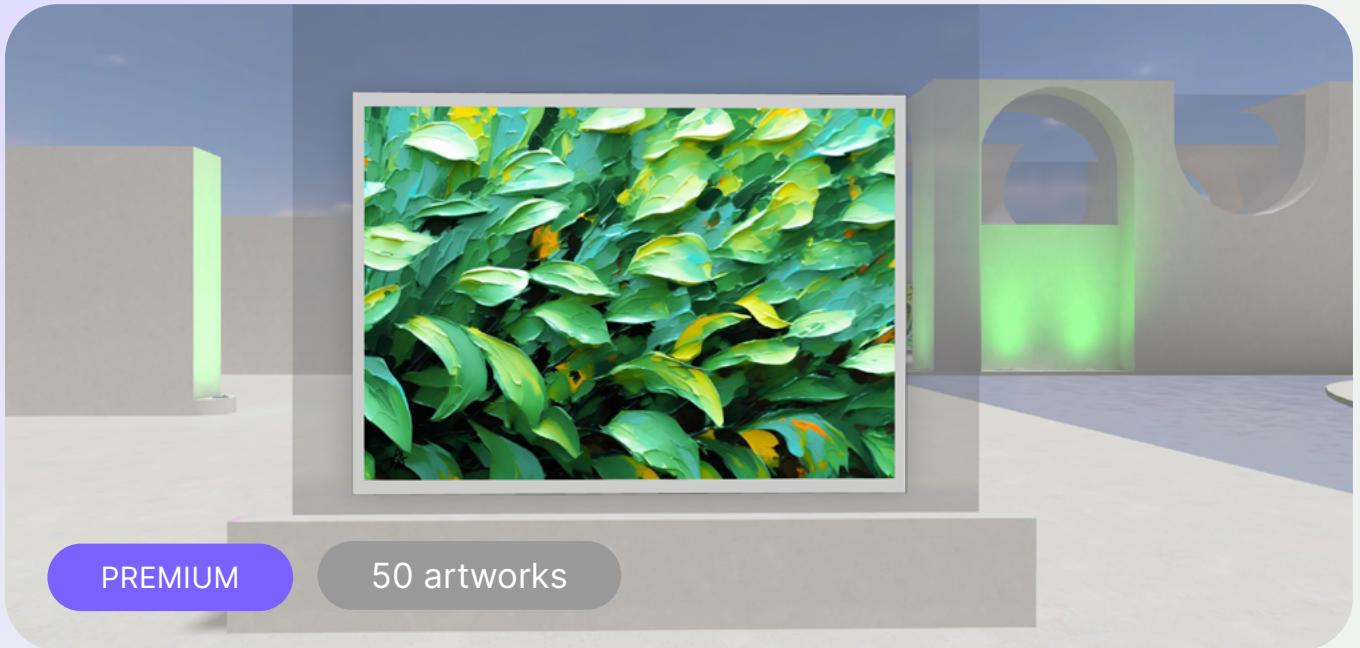

# Monolith Symphony

Present your art in the “Monolith Symphony” gallery, where seven majestic monoliths rise from a tranquil seascape. This grand, open-air venue showcases up to 7 artworks against a stunning backdrop of serene water and floating lilies. The striking architecture of the white monoliths creates a dramatic and harmonious setting, blending the natural beauty of the water with the imposing presence of the monoliths. Ideal for artists seeking to create a profound and immersive exhibition experience.

# Mirage Gallery

Immerse your art in the “Mirage Gallery,” an open-air showcase designed with four distinct zones for up to 50 artworks. This gallery features a captivating blend of water elements, striking geometric shapes, and elegant arches, creating a visually dynamic environment. The marriage of glass and white architecture adds a modern and sophisticated touch, enhancing the allure of your exhibition. Ideal for artists looking to present their work in a space that balances contemporary design with natural beauty.

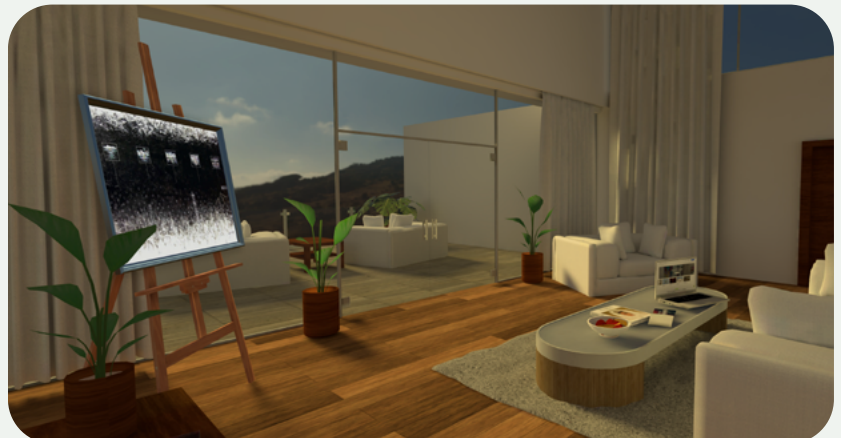

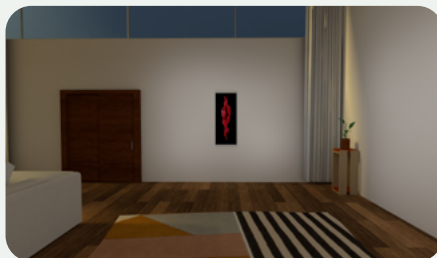

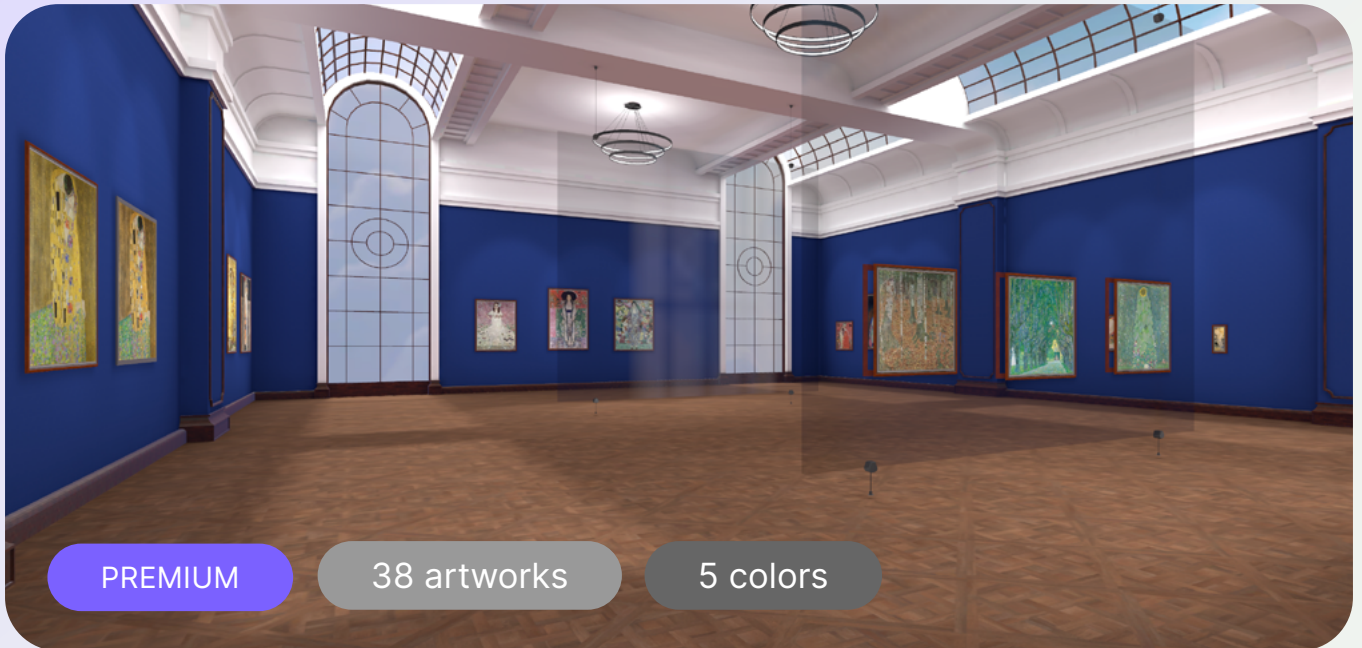

# Live Your Room

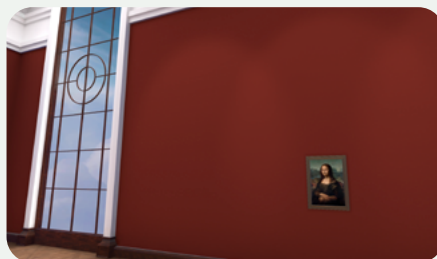

Showcase your art in the “Live Your Room” gallery, where a cozy, modern living room is nestled within a stunning mountainous landscape. This intimate setting features space for up to 4 artworks, offering a warm, homey ambiance that contrasts beautifully with the rugged outdoor scenery. Perfect for creating a personal and inviting atmosphere, this gallery combines the comfort of a stylish living room with the grandeur of nature, making it ideal for artists seeking to blend everyday elegance with breathtaking views.

# Modern Classic

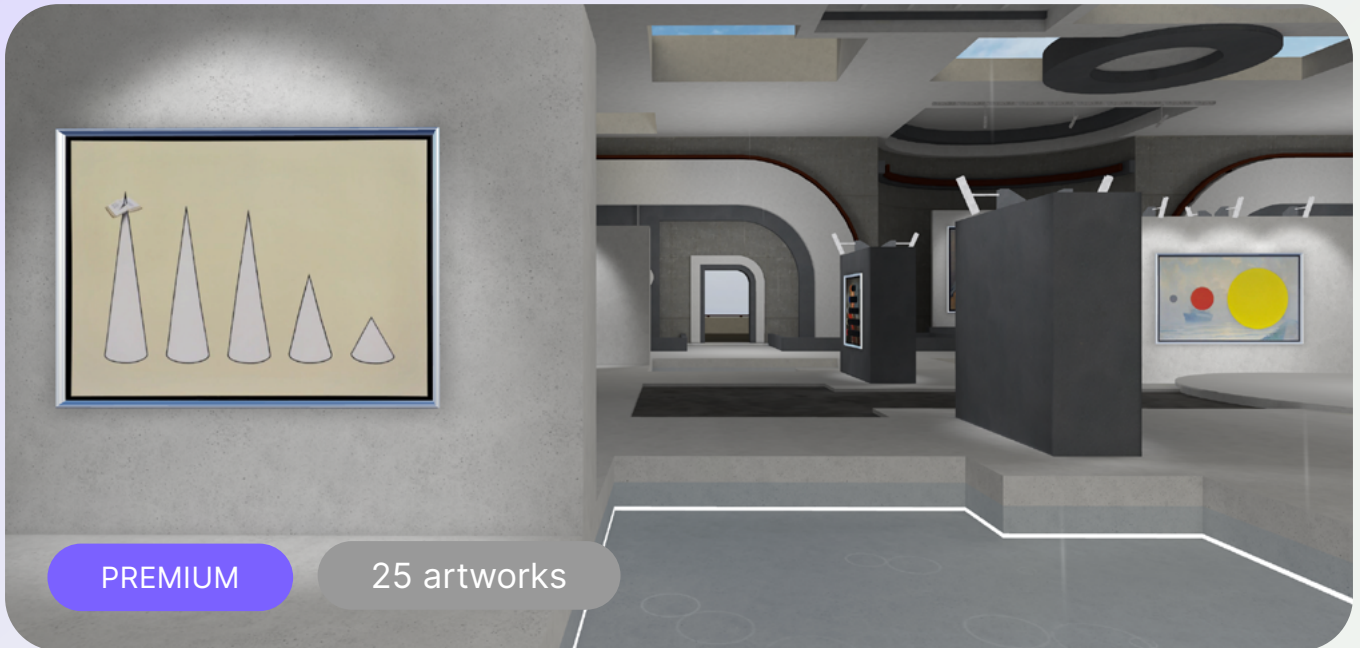

Display your art in the “Modern Classic” gallery, where traditional elegance meets contemporary flair. This spacious venue, accommodating up to 38 artworks, features classic architectural elements enhanced with a modern twist. Choose from various room colors to perfectly complement your pieces, and enjoy the blend of natural light from windows extending into a skylight. The gallery’s sophisticated design is further accentuated by elegant chandeliers, creating a refined and versatile backdrop for showcasing your art.

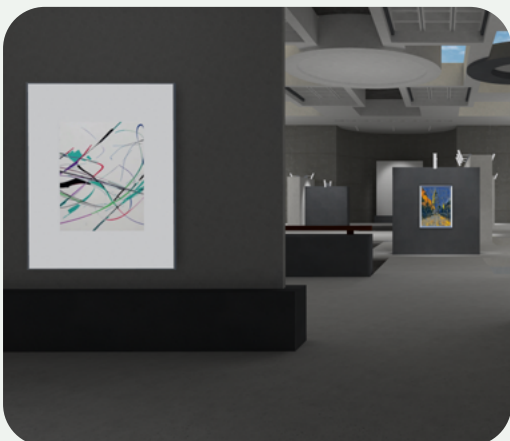

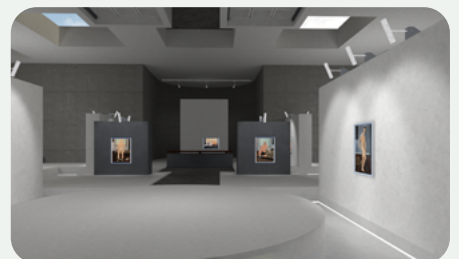

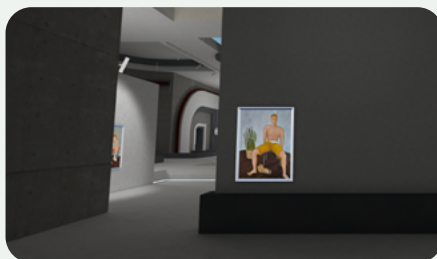

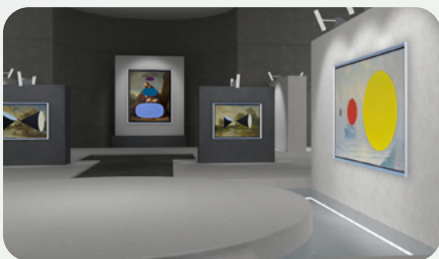

# Concrete Poem

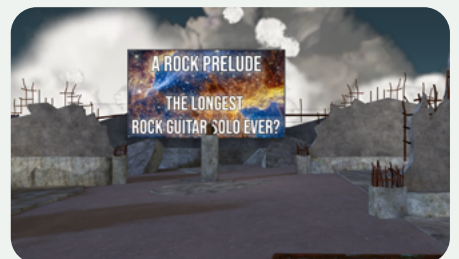

Showcase your art in the “Concrete Poem” gallery, a vast brutalist space characterized by its rhythmic concrete structure. This modern architectural setting, featuring geometric forms and a sleek grey palette, provides a bold and dramatic backdrop for up to 25 artworks. The addition of skylights enhances the gallery with natural light, highlighting the intricate details and creating a striking contrast between your pieces and the gallery’s austere elegance. Ideal for artists seeking a powerful, contemporary presentation.

# Dystopia

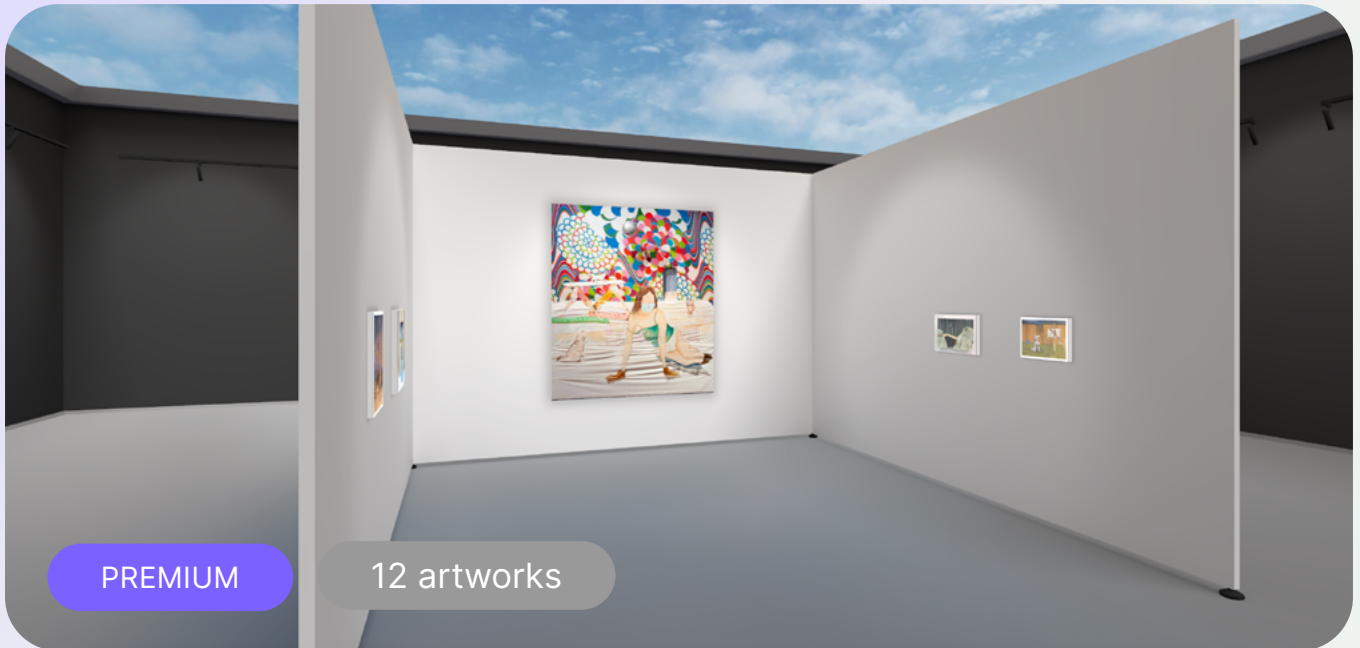

Step into the “Dystopia” gallery, a striking industrial and dreamlike desert landscape designed for up to 19 artworks. This post-apocalyptic space features a deserted, open environment, blending rugged industrial elements with a surreal, barren backdrop. Perfect for artists who wish to present their work in a stark, evocative setting that amplifies the dramatic and otherworldly aspects of their pieces.

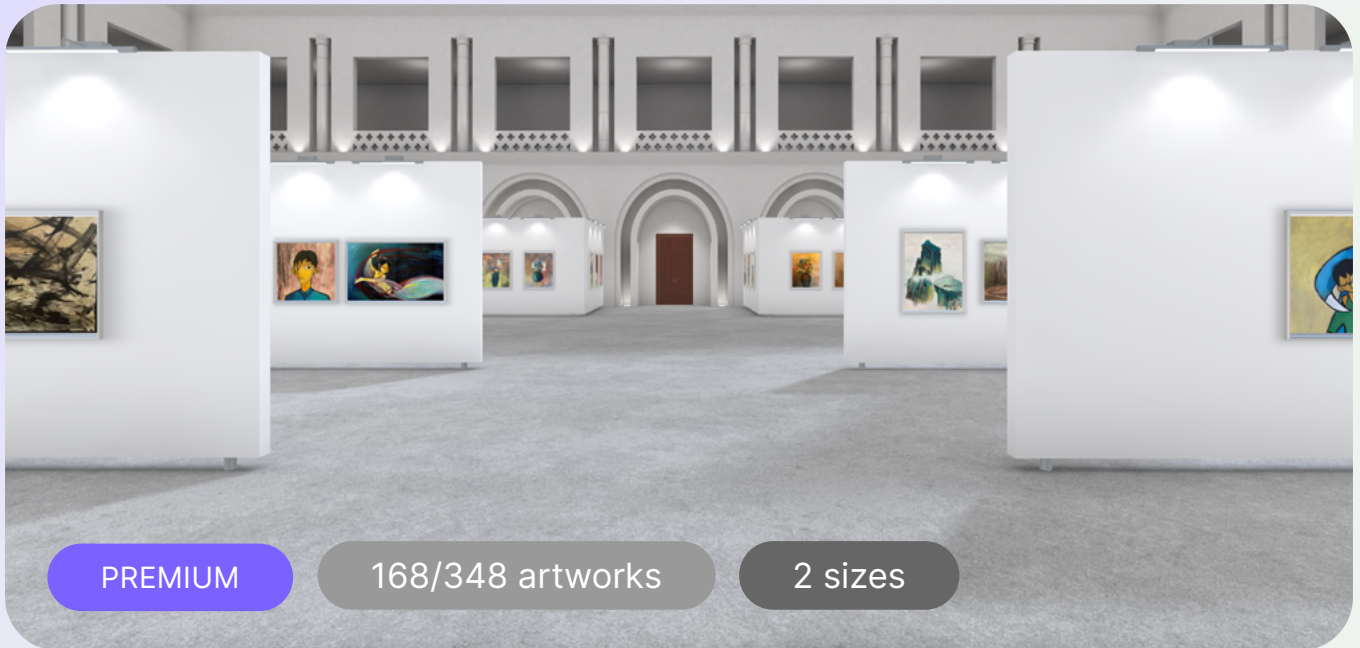

# Art Fair Booth

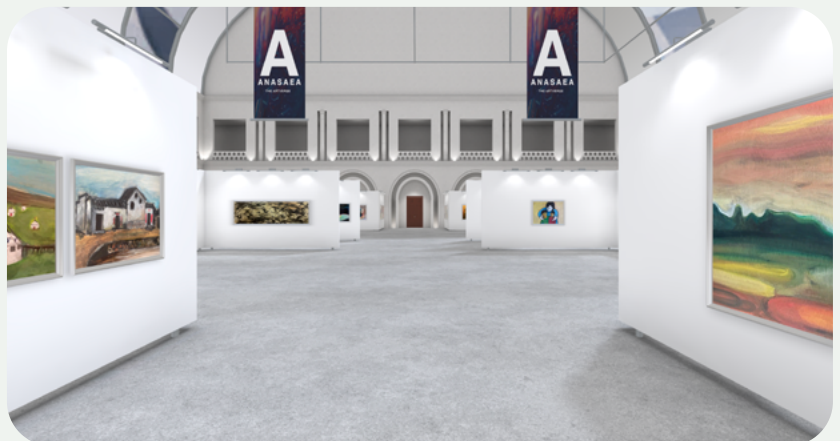

Present your work in the “Art Fair Booth,” a straightforward yet effective display space designed for up to 12 artworks. This minimalist booth provides a clean, uncluttered backdrop, allowing your art to take center stage. Ideal for a focused and professional presentation, the gallery ensures your pieces are showcased with clarity and impact.

# Art Fair

Elevate your exhibition in the “Art Fair” gallery, designed for large-scale displays with two size options. Choose from the expansive “Art Fair” for up to 348 artworks or the more intimate “Little Art Fair” for up to 168 artworks. Both variants feature a well-lit, open space with striking architecture, including arches and windows, and booth-like setups ideal for art fairs. This versatile gallery provides a professional and engaging environment for showcasing a vast collection.

# Gallery Hall

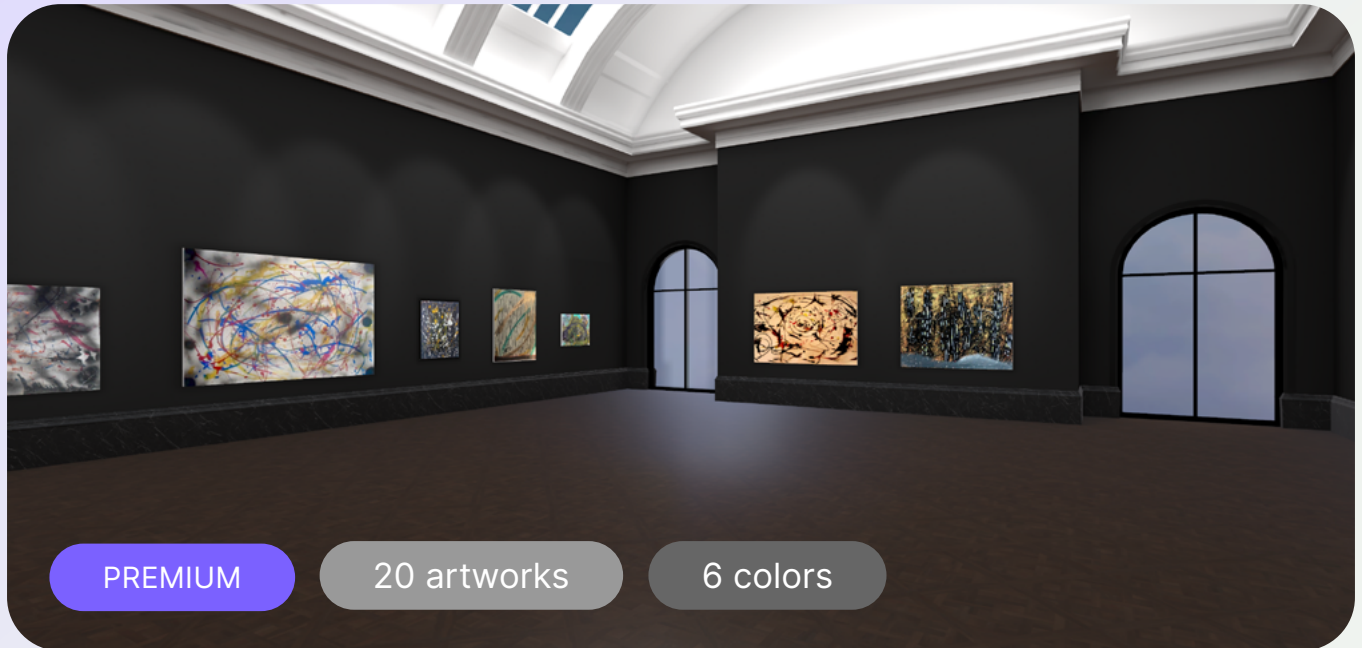

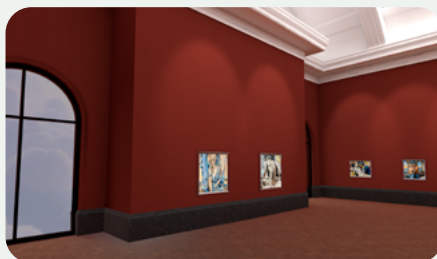

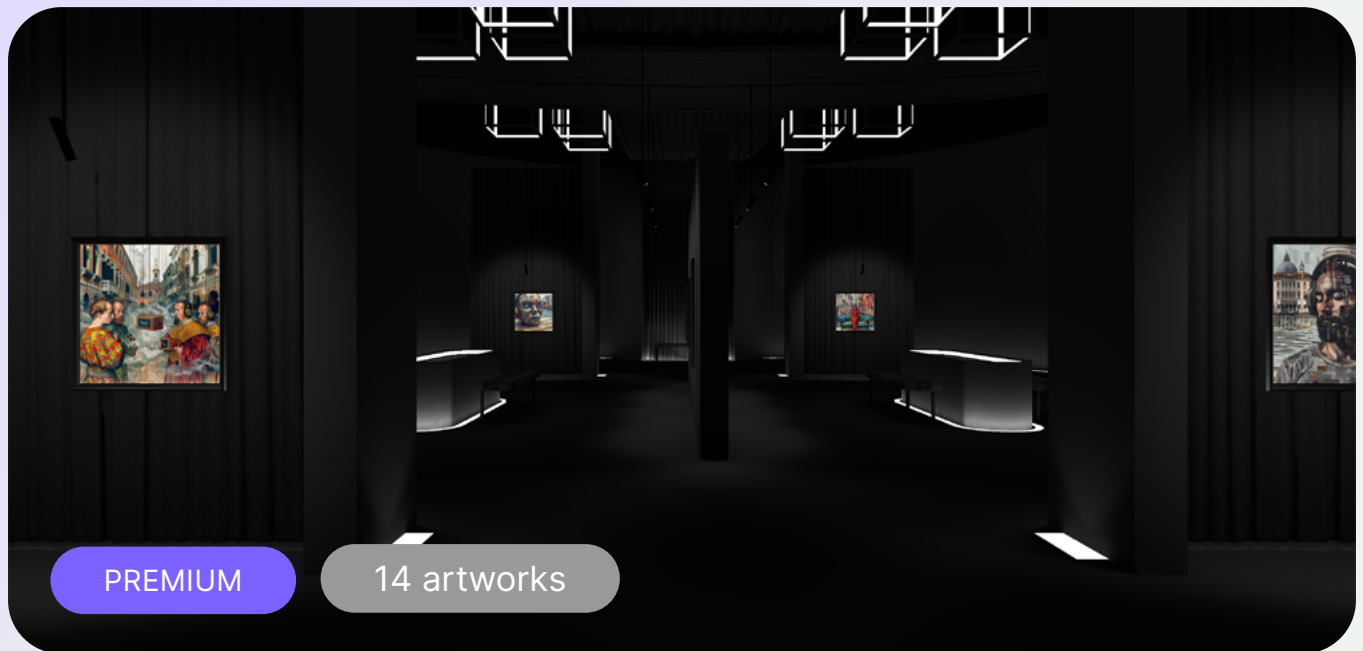

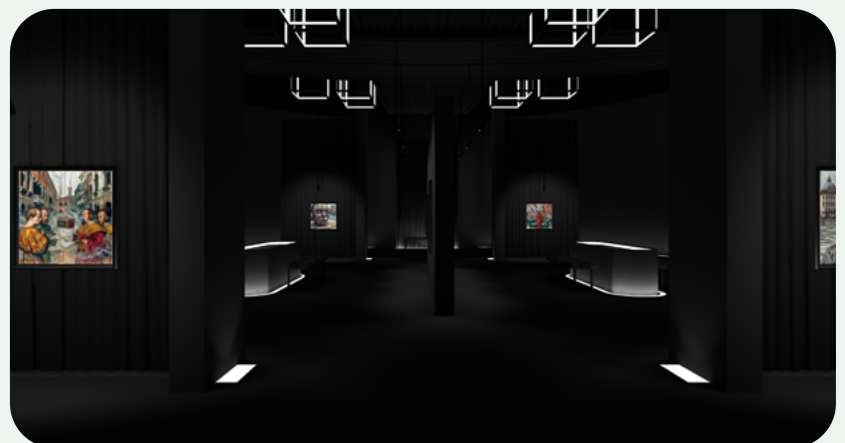

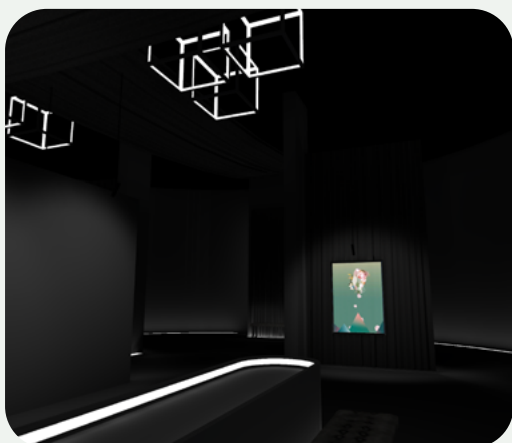

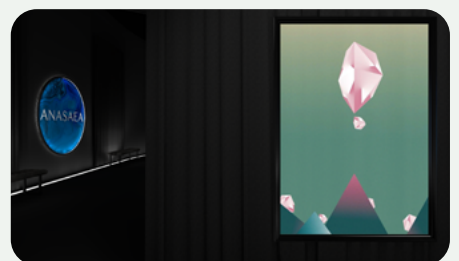

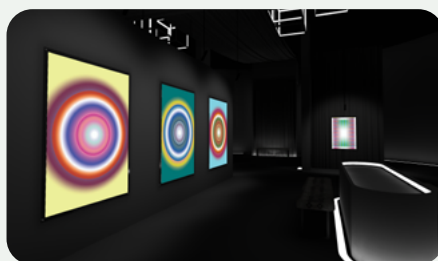

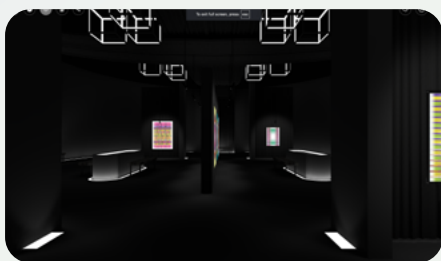

Exhibit your art in the “Gallery Hall,” a medium-sized classic gallery with a touch of versatility. Featuring space for up to 20 artworks, this venue boasts a warm wood floor and an elegant barrel vault ceiling. Choose from six color variants for the walls to tailor the ambiance to your preference. The gallery’s refined design combines traditional elements with customizable features, providing a sophisticated and adaptable setting for your art.

# Dark Gallery

Step into the enigmatic allure of the Dark Gallery, a sophisticated 3D art space nestled in the heart of Milan. This exclusive collection features 14 striking artworks that traverse the shadows and illuminate the mysterious elegance of the modern dark aesthetic. The gallery itself exudes a sense of luxury and modernity, with sleek, understated design elements that serve as a perfect backdrop for the intense, immersive art pieces it houses.
