

Terms and Conditions (T&C) of ANASAEA Corporation

1. Description of Services: The Site provides a marketplace service, allowing Artists to reference and to sell their Artworks at a price set by them, to accept purchase offers made by Clients, to collect the price of the sale excluding tax (if applicable), to organize the delivery of the Artworks, and to manage the after-sales service for the Artworks sold. The sales made through the Site are concluded directly between the Client and the Artist.

ANASAEA Corporation is not, in any respect, a reseller of the Artworks offered by the Artist through the Site. ANASAEA Corporation acts as a simple intermediary within the sole context of the provision of the Site to enable Artists and Clients to connect.

Consequently, ANASAEA Corporation is not a party to the contract which is concluded solely between the Client and the Artist, who is the sole seller of the Artworks and therefore is solely responsible for obligations arising therefrom.

2. Obligations Relating to the Artworks: The Artist ensures ANASAEA Corporation that the Artist is the sole author of the Artworks that the Artist puts up for sale and/or display on the Site. The Artist undertakes to clearly designate on the Site Artworks that they wish to sell and to immediately indicate on the Site if any offer related to Artworks are no longer available.

The description sheet provided by the Artist to ANASAEA Corporation with each of the Artist's Artworks includes at least one (1) photograph of the Artwork, a brief description of the Artwork, and information on its genre, size, weight, and nature.

The Artist guarantees that the Artworks do not violate in any way any laws, regulations, and standards in place, and that they do not infringe the rights of third parties and in particular the possible copyrights of third parties. In this respect, the Artist undertakes not to offer for sale any infringing Artworks and guarantees ANASAEA Corporation against any action that may be brought by the Client or by any third party, including potential rights holders of the Artwork and against any possible conviction that may result from this action.

As such, the Artist will provide a signed certificate of authenticity to the Client, relating to the Artwork sold. The Artist also sets the selling price of the Artwork including all taxes, material, and packaging costs. The Artist ensures that the price of the Artworks listed on ANASAEA is consistent with the prices set on other online platforms and/or physical outlets.

The Artist guarantees the veracity of the information submitted to ANASAEA Corporation as well as the non-misleading nature of the images of the Artwork and undertakes to ensure that they shall not mislead potential Clients, both in terms of the characteristics and the condition of the Artwork.

As the owner of the Site, ANASAEA Corporation reserves the right to modify the information relating to the Artwork in the event of misleading or incorrect information. If the images and the description of the Artwork do not meet ANASAEA Corporation's quality criteria, ANASAEA Corporation reserves the right to request the modification of the relevant mentions, and/or to request justification from the Artist, and/or to take the Artwork offline permanently.

The Artist has the right to list and/or sell the Artworks on other platforms or in physical outlets.

3. Intellectual Property: It is the Artist's responsibility to be informed about image rights compliance laws in their country of residence. Beyond the guarantees owed by the Artist and related to the rights on the Artworks and their free disposal as reminded in articles above, the Artist allows ANASAEA Corporation to use these Artworks and reproduce them on the Site for the purposes of execution of these terms.

As such, the Artist gives ANASAEA Corporation, without any geographical limitation and free of charge, the following rights:

- For promotional purposes only, to reproduce, publish, edit, and use images of the Artworks temporarily or permanently, directly or indirectly, in whole or in part, alone or associated with other Artworks, on various mediums and ways;

- To allow Collectors to digitally collect, like, and save Artworks for the purposes outlined in Clause 12, which include potential future purchases, learning about the Artists, and creating collections for visibility and personal reminders.

The assignment of rights on the Artworks is granted for publication on the Site, but also for the purpose of communication and marketing as part of the broader activity of ANASAEA Corporation.

This assignment is granted for the entire duration of the contractual relationship between ANASAEA Corporation and the Artist, and up to six (6) months after termination of the T&C.

ANASAEA Corporation is the exclusive owner of all intellectual property rights on both the development of the Site and its content, unless expressly mentioned otherwise. The Site, brands, drawings and models, images, texts, photos, logos, graphic charters, software and programs, search engines, databases, sounds, videos, domain names, design and any other content available on the Site, except for the texts, images and photos provided by the Artist, although this list is not exhaustive, are the exclusive property of ANASAEA Corporation and are protected by the provisions of the copyright law, trademark laws, patent law and any other right of intellectual or industrial property in force.

These T&C do not cause the transfer of any intellectual property right to the benefit of the Artist whether on the development or the content of the Site. The Artist is granted a non-exclusive right of use of the Site and its services on a private and non-transferable basis.

4. Obligations of the Artist: The Artist undertakes to provide a quality service to Clients. In this respect, any Client has the possibility of making a complaint to the Artist via ANASAEA Corporation concerning the Artwork(s) purchased.

In the event of a complaint from a Client concerning an Artwork, ANASAEA Corporation will inform the Artist of the complaint by email. The Artist undertakes to respond to ANASAEA Corporation's emails or telephone calls within five (5) days of receiving them.

The Artist is solely responsible for the conservation of the username and password and ANASAEA Corporation shall not be held responsible for any use of the account of the Artist by a third party.

The Artist agrees to indemnify, defend, and hold harmless ANASAEA Corporation, its affiliates, directors, employees, agents, and licensors from and against any and all claims, liabilities, damages, losses, costs, and expenses (including reasonable attorneys' fees) arising out of or in connection with your use of the ANASAEA platform, its services, or any content provided on or through the platform, The Artist's violation of these Terms and Conditions, or the Artist's infringement of any intellectual property or other rights of any person or entity.

5. Code of Conduct: ANASAEA Corporation expects its Creatives, Artists, and Staff to conduct themselves in a manner that reflects favorably upon themselves and the ANASAEA brand. The Code of Conduct outlines the Artist's responsibilities as a member of the ANASAEA community, as well as possible penalties for not meeting these responsibilities.

Violations of standards of behavior described herein may lead to a verbal or written warning, suspension of account, or termination of account, as deemed appropriate by ANASAEA Corporation.
